

8 February 2011

## **Valentine's opening for new Sandwell NHS dental practice**

The opening date has been set for a brand new NHS dental practice in the Great Bridge area of Sandwell.

The Bridge Park Dental Practice will open on Monday, 14 February in state-of-the-art premises on Great Bridge Street.

To mark the occasion free oral health packs for adults and children are being given to people who come into the new practice in its opening week.

Two dentists and a team of dental nurses and reception staff will be working at the new premises on Black Country Park, near Asda.

The new dental practice will provide a range of services including checks-ups, full courses of treatment and oral health promotion under the NHS.

Staff at the practice, which will be run by Primecare Oral Health Services Limited, are currently registering people who want to become patients at the practice.

Anyone who would like to register at the practice can do so by calling 0330 1239118 and speaking to a member of the dedicated registration team.

Sarah Campbell, Operational Director for Primecare Oral Health Services Limited, said: "We are really pleased to be opening this new NHS dental facility in Sandwell, in partnership with Sandwell Primary Care Trust.

"Making an appointment could not be simpler and the extended opening times, including Saturday mornings, means it is easier for people to see a dentist and improve oral health."

Anna Smith, Consultant in Dental Public Health at Sandwell Primary Care Trust said: "I am really pleased that a new, NHS dental practice is opening in Great Bridge as it will enable more people than ever to see an NHS dentist in high quality, local practice."

The new dental practice will provide checks-ups, full courses of treatment and oral health promotion under the NHS.

The practice will open six days a week: Monday, Wednesday and Friday from 9am to 6pm; from 9am till 8pm on Tuesdays and Thursdays and from 9am till 1pm on Saturdays.

More information about the practice is available from the practice is available at [www.bridgeparkdental.co.uk](http://www.bridgeparkdental.co.uk) or by calling 0330 1239118.
